Dear Cavy Fancier,

The North Carolina Cavy Breeders Assoc. is excited to be hosting the national specialty show for cavies in 2017 at the Haywood County Fairgrounds in Waynesville, NC. It is expensive to host a specialty show, and we hope that you consider this show to be worthy of your support. This is your opportunity to become a sponsor and/or register your intention to help in the future. Sponsorships and donations can be done using your name or your caviary/rabbitry/kennel/farm name.

BISCUIT LEVEL: \$10 - \$75

File listing in Facebook Group; on a list in catalog and website.

BRUNCH LEVEL: \$76 - \$150

STRAWBERRY SHORTCAKE LEVEL: \$151 - \$300

SOUTHERN HOSPITALITY LEVEL: \$301 +

Special file listing with contact and other information. Inclusion in pinned post in the FB group. Free display ad in catalog & website; Free t-shirt. Acknowledgment in advertising done for the show. Free standard size vendor space. Individual poster/promotion in showroom if you do not have a booth.

There will be three types sponsors: Individual or Caviary (or Rabbitry, Kennel, etc.), Club, or Business.

As a special recognition for the highest donor in each of three categories, that person, club, and business will each have their name on the Facebook Group Page banner somewhere in the visible background of the logo. This can change every three months if a donation is made that exceeds current leader. This first customized banner will be created in July; however, the Facebook Group file benefits will be added as your donation comes in if at all possible. The Biscuits 'n' Cavy Facebook page is a closed group with 280 members and is growing!

Being a sponsor is NOT your only choice when it comes to supporting the show; but the benefit of sponsorship NOW is the much earlier and longer time that your participation will be recognized, as well as the perks already mentioned. ALL donations are very much appreciated, but none more than the ones that we get at the beginning to build up our funds!

During the show weekend -- Thursday afternoon through Monday morning -- there are many volunteers needed. Without specifying the days or jobs, please respond about your availability to help make this event great success! We will strive to find the best volunteer positions for you.

*** Many hands make light work. ***

Sincere thanks from,

Margo Purdy, General Chairman
Fund-raising Committee Members: Nancy Beebe, Elizabeth Magana, Alina Mitchell, Denise Talbott.
